3-3 Resolution 25-5: Elevator Car Replacement

Mr. King-Dye reviewed that the 2025 Capital Budget includes funds to replace parking garage elevators as a component of planned facility maintenance. In March 2021, the Authority selected KONE Inc. to provide preventative and on-call maintenance services for the Airport's elevators and escalators. Staff solicited a quote from KONE to replace elevators 1-3 serving the parking garage. Mr. King-Dye said staff is seeking approval to authorize the President and Chief Executive Officer to enter into a contract with KONE Inc., in the amount of \$781,226, for the replacement of the 3 remaining elevators that serve the parking garage. The replacement of elevators 3-6 was approved in 2024 and will be completed in 2025. This approval completes full replacement of all parking garage elevators.

Motion by Mr. Verhulst, supported by Mr. Koorndyk, the approval to authorize the President & Chief Executive Officer to enter into a contract with Kone in the amount of \$781,226, for the replacement of the 3 remaining elevators that serve the parking garage. Motion carried.
